

REMARKS

Claims 19-27 and 29-40 have been allowed pursuant to the Notice of Allowability mailed on February 22, 2007. A Request for Continued Examination and the \$790 fee required by 37 CFR 1.17(e) are being filed contemporaneously herewith, along with a Supplemental Information Disclosure Statement disclosing references for consideration by the Examiner.

The foregoing Amendment to the Specification updates the Specification to reflect the issuance of one of the parent applications as U.S. Patent No. 6,866,665, subsequent to the filing of this application. No new matter has been added.

It is submitted that the claims are in order for allowance, and prompt allowance is earnestly requested. Should any issues remain outstanding, the Examiner is invited to call the undersigned attorney of record so that the case may proceed expeditiously to allowance.

Respectfully submitted,

David S. Jacobson
